STATEMENT FROM ARCHBISHOP JOHN C. WESTER

Support the Dreamers: Congressional Call-In Campaign Please participate in the Call-in Day to Congress on Monday, February 26, 2018!

ALBUQUERQUE – Thursday, February 22, 2018—IMMEDIATE RELEASE—Please participate in the National Call-in Day to Congress on Monday, February 26, 2018. Your advocacy is critical to help the nearly 1.8 million Dreamers, young people who were brought into the United States by their parents as children. **They may face deportation as soon as March 6, unless Congress reaches a bi-partisan deal to protect them.**

I invite you to view the USCCB video with Bishop Joe S. Vasquez (Diocese of Austin) to learn more about the National Call-in Day for Dreamers: <https://drive.google.com/file/d/1OL62uuq7EJWyx-EYhHTRBEPvGm9yIxt/view>

I also invite you to please call 855.589.5698 to reach the Capitol switchboard, and **press 1 to connect to your Senators**. Once you are connected to each Senator's office, please ask the person on the phone to deliver this simple message:

"I urge you to support a bipartisan, common-sense, and humane solution for Dreamers:

- *Protect Dreamers from deportation and provide them with a path to citizenship.*
- *Reject proposals that undermine family immigration or protections for unaccompanied children.*
- *As a Catholic, I know that families are not 'chains', but a blessing to be protected.*
- *Act now to protect Dreamers, our immigrant brothers and sisters."*

Please call 855.589.5698 a second time to reach the Capitol switchboard again, and **press 2 to connect to your Representative**. Once you are connected to the Representative's office, please ask the person on the phone to deliver the same message as above.

After completing your call, please go to <http://www.justiceforimmigrants.org> to learn more about Dreamers and find other ways to voice your support.

USCCB President, Vice President, and Migration Chair Announce National Call-in Day for Dreamers for February 26

February 19, 2018

WASHINGTON—Late last week, the Senate failed to achieve the 60 votes needed to move forward with debate on legislation to provide relief to Dreamers. Cardinal Daniel DiNardo of Galveston-Houston, USCCB President; Archbishop José H. Gomez of Los Angeles, USCCB Vice President; and Bishop Joe S. Vásquez of Austin, Chairman of the USCCB Committee on Migration, together issued the following statement:

"We are deeply disappointed that the Senate was not able to come together in a bipartisan manner to secure legislative protection for the Dreamers. With the March 5th deadline looming, we ask once again that Members of Congress show the leadership necessary to find a just and humane solution for these young people, who daily face mounting anxiety and uncertainty.

"We are also announcing a National Catholic Call-In Day to Protect Dreamers. This coming weekend, we will be asking the faithful across the nation to call their Members of Congress next **Monday, February 26**, to protect Dreamers from deportation, to provide them a path to citizenship, and to avoid any damage to existing protections for families and unaccompanied minors in the process.

"Our faith compels us to stand with the vulnerable, including our immigrant brothers and sisters. We have done so continually, but we must show our support and solidarity now in a special way. Now is the time for action."

STATEMENT FROM ARCHBISHOP JOHN C. WESTER
Urgent: We need Catholic voices to support the Dreamers.
Call our New Mexico Senators and Representatives now.
Time is running out for them!

ALBUQUERQUE – Thursday, February 15, 2018—IMMEDIATE RELEASE— *As Catholics, we believe the dignity of every human being, particularly that of our immigrant and refugee children and youth, must be protected. The sanctity of families must be upheld. The Catholic bishops have long supported undocumented youth brought to the United States by their parents, known as Dreamers, and continue to do so. We ask you to engage with your elected officials to voice your support for these young people and call on your members of Congress to find a bipartisan legislative solution to protect Dreamers immediately. As we move closer to the end of the Deferred Action for Childhood Arrivals program (DACA, ending March 5, 2018), over 800,000 young people who entered into the U.S. and only know America as their home, may face deportation. Every day, these youth lose their status, and with it, lose their ability to go to school, serve in the military and work legally. Our church stands in solidarity with Dreamers. We celebrate the contributions of refugees and immigrants in our churches, communities and in our country.*

Congress must pass bipartisan legislation that would provide urgently needed relief for Dreamers.

1. Dreamers entered the United States through no fault of their own, but rather came to the U.S with their parents as children to seek a better future. They often know America as their only home.
2. These young people are contributors to our economy, veterans of our military, academic standouts in our universities, and leaders in our parishes.
3. They live out their daily lives with hope and a determination to flourish and contribute to society. They should not be forced to live their lives in constant fear that they will be deported at any moment and separated from their families. If deported, they face real dangers of violence, poverty and family separation in a place they have never known.
4. These undocumented youth are woven into the fabric of our country and of our church, and are, by every social and human measure, American youth. It is both our moral duty and in our nation's best interest to protect them and allow them to reach their God-given potential.
5. Congress is now considering this important issue and must act to protect these young people by March 5, 2018. Please call your Senators and Representatives now and say the following (They will be on recess in home offices Friday, February 16 through the following week.):
“As a constituent, I urge you to stand in support of Dreamers, to publicly support Dreamers and pass a Clean Dream Act. The Dream Act offers qualifying immigrant youth ‘conditional permanent resident status’ and a path to full lawful permanent residency and citizenship. With the recent rescission of the DACA program, now is the time for Congress to work together to protect these exemplary young people. Find a prompt, humane and durable solution.”
